# HOW AND WHERE WE WORK

Oxfam is a global organization that fights inequality to end poverty and injustice. We are working towards a more equal future. We believe all lives are equal. No one should be discriminated against or live in poverty. We want a world in which everyone can **safely speak truth to power, claim their human rights, and build a better future** for themselves. We recognize that we cannot achieve this on our own but as a **collective power**. We, therefore, **work in partnership** with local and grassroots organisations, civil society, individuals, volunteers, the private sector, and the Government.

In Uganda, we deliver this commitment by providing quality and timely humanitarian support to crisis-affected -vulnerable communities, enhancing resilient livelihoods, promoting gender justice and women's rights, and championing inclusive and accountable governance.

Our work is guided by the [Country Strategic Framework \(CSF\) \(2021-2030\)](#), which is organized around four themes with specific goals:

## Governance and Accountability

**Goal:** Inclusive and accountable governance systems are in place to promote the rights of vulnerable people

**Focus:** Building active citizenship, work around the petroleum and

mining industry, Transformative education, and fiscal justice.

## Resilient Livelihoods

**Goal:** Vulnerable and marginalized people are economically empowered and have resilient livelihoods

**Focus:** Sustainable access and control over natural and productive resources, Gender-sensitive agriculture and the value chains, youth skilling, resilience and adaptation to climate change and support to Business Development.

## Humanitarian preparedness and response

**Goal:** People vulnerable to crises are safe, secure, and resilient and enjoy dignified lives

**Focus:** Emergency and resilient

livelihoods for crisis-affected communities. Contingency planning with stakeholders, Local humanitarian leadership, Peace, protection, National and regional policy influencing, and delivery of timely humanitarian support.

## Gender Justice and Women's Rights

**Goal:** Women and girls from vulnerable communities are empowered, enjoy their rights and live in dignity.

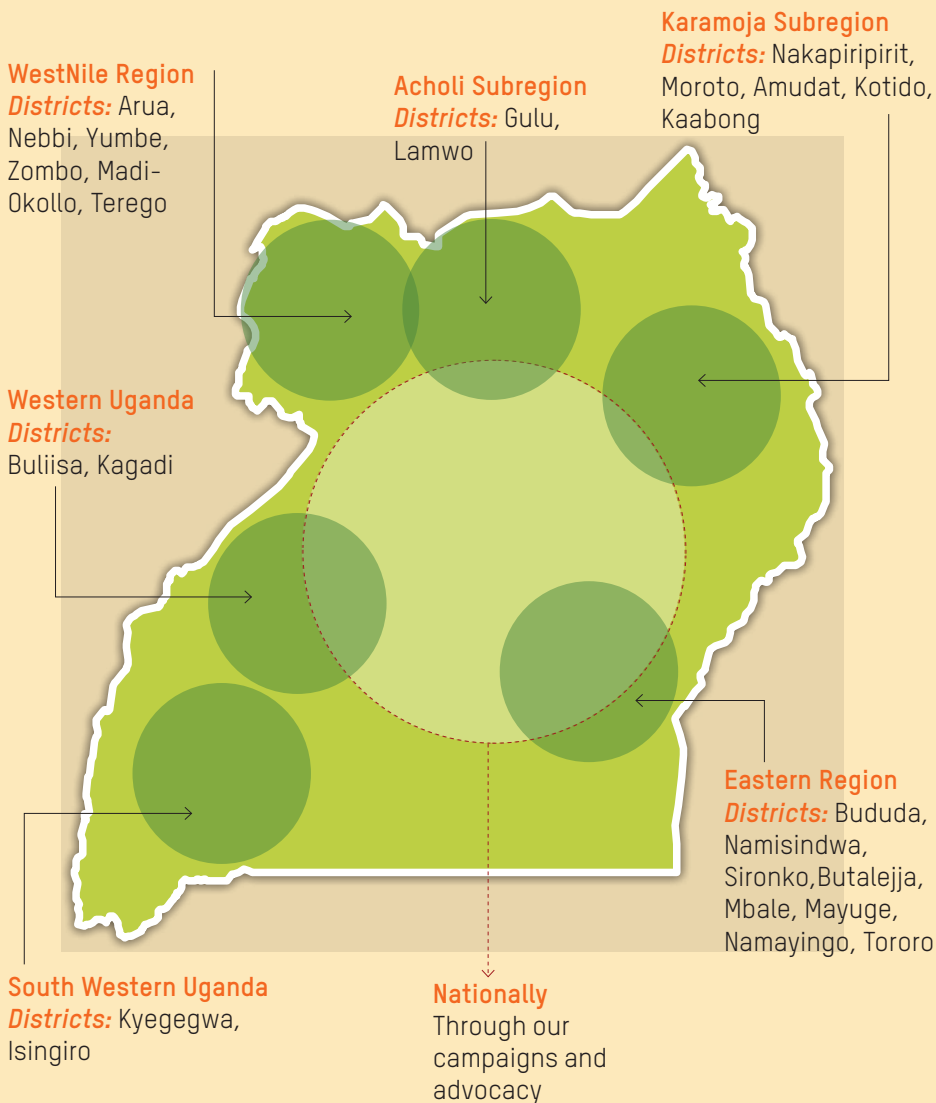

**Focus:** social norm change, addressing GBV, advocacy around Unpaid Care work, monitoring progress on women's rights commitments, championing the feminist agenda and addressing sexual reproductive health rights for young people.

**TO CONTRIBUTE TO CHANGE THAT LASTS, WE MOBILIZE THE POWER OF THE PEOPLE, INFLUENCE THOSE WITH POWER TO TRANSFORM THE SYSTEMS, POLICIES AND PRACTICES THAT HAVE THE MOST SIGNIFICANT IMPACT ON PEOPLE'S LIVES.**
